

HOW DO I KNOW IF I AM REGISTERED WITH THE NHIAA???

There is sometimes confusion when the membership asks have you paid your dues, because the confusion consists of 2 different types of dues.

The first type is the game fee you pay to belong to NHSUA.

The 2nd type is the payment you make to the NHIAA that covers your insurance.

So here is how you can check or register with the NHIAA:

Depending how you login, you usually have a choice of a “view” or the option to switch views once logged in. The view you need to access when logging into the arbiter system is the NHIAA Central Hub.

Adam Reitsma

Since your account is registered in more than one group, locate the account you wish to sign into and click the corresponding icon in the 'Sign In' column.

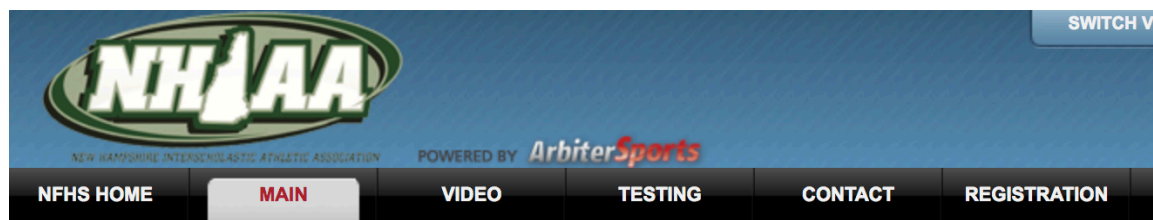

Which Account would you like to sign into?

OrganizationID	Organization Name	Account Type	Sign In
101731	NHSUA	Official	
103821	NHIAA	Central Hub	

If you are already in a view such as the NHSUA Official then click the Switch Views option in the upper right corner:

Once the view has changed to the NHIAA Central Hub you can now go ahead and click on the link for Registration (on the right side):

The first two sections of the next screen are the sections you want to pay attention to. The first section displays what registrations are

open. The 2nd section will show you the history of your registrations. So if you see the date range of the upcoming year (2017-18 when this was written) then you can now confirm you have registered with the NHIAA.

If you do not see that status then most likely the first section has a registration available for you to register.

If there is no option then you might have missed the registration period and will need to discuss with your assigners.

Welcome To The Registration Dashboard
